

# Pitney Bowes Print Management Service That Helps Ensure Your Print Document Quality

## Well-Maintained Equipment Maximizes Productivity

Document printing is an essential part of your business. That's why maintaining and servicing your office equipment is a must. But, when different vendors are responsible for this function, or your internal maintenance process is dispersed, ongoing equipment maintenance can become a hassle. Even when one printer, copier or fax machine is not working properly, it can slow down an entire department. Add to that the trouble-shooting and repair time spent by your in-house technology staff, and you could be facing a major loss of productivity.

can have your equipment back up and running quickly. That's why thousands of businesses today rely on Pitney Bowes as the sole source for servicing all their document printing equipment.

## Keep Your Operation Running Smoothly

Pitney Bowes Print Management takes a proactive approach to managing equipment so you can avoid breakdowns in the first place. After reviewing your equipment inventory and usage, we design a continuous service program that helps keep your document printing equipment – including most OEM major brands – in

top working order.

This not only helps reduce equipment failures and reduces the strain on your IT staff, but it also means that print quality won't suffer.

Pitney Bowes Print Management provides you with access to our national network of 1,200 A+ certified technicians. These Pitney Bowes employees are trained to maintain and repair all major brands of printers and multi-function devices. With one phone call to our service center, which is open 24/7, you

## We Offer a Total Solution

Including Pitney Bowes in your print management program helps you increase the efficiency of your entire operation by reducing time lost due to faulty equipment. In addition, our broad capabilities allow us to go beyond equipment maintenance and repair. We can also help plan and execute equipment moves, installations and upgrades. And, with hundreds of our own authorized service locations around the country, timely service for anything we do is never far away. Do away with multiple service agreements and multiple vendors. Make one call and get the job done.
