Section CC of the Participating Addendum between Pitney Bowes Inc. and the State of South Carolina which includes the above referenced Contract Number, is hereby amended by deleting Section CC in its entirety and replacing it with the following:

Lease Agreements: Any/all leasing or financing will be handled through the Master Equipment Lease Agreement dated as of February 8, 2017 between Presidio Technology Capital, LLC and the Information Technology Management Office, an agency of the State of South Carolina. Contract information can be found at <https://procurement.sc.gov>.

Presidio Technology Capital, LLC ("Master Lessor") and the Information Technology Management Office, an agency of the State of South Carolina ("Master Lessee") have entered into a Master Equipment Lease Agreement dated as of February 8, 2017 (the "Master Lease") under which lessees will from time to time lease equipment (the "Equipment") sold by Contractor to Using Government Unit under the above referenced Contract Number or a succeeding contract for the same or similar goods and/or services (the "Purchase Agreement") from Master Lessor, its successors or assigns, under a lease schedule incorporating the terms of the Master Lease (a "Lease"). The Using Government Unit to whom Equipment is to be delivered under the Purchase Agreement is herein called the "Lessee." Postage meters may not be leased or sold to Using Government Unit and may only be rented pursuant to the terms of a Purchase Agreement. Maintenance shall be provided pursuant to a maintenance agreement.

For purposes of removing doubt as to the intention of the parties and to clearly delineate certain rights with respect to the Purchase Agreement, the following is added to the Purchase Agreement, superseding any contrary language therein:

1. It is the express intention of all parties that the Equipment, with the exception of postage meters, maintenance and software, shall be sold to and owned by the Lessee and that each Lease constitute a financing and not a true lease for legal, tax and other purposes.
2. Contractor will send the invoice for purchase of Equipment to the Lessee, showing the Lessee as the purchaser. The Lessee will forward the invoice to Master Lessor within three (3) business days of receipt, for payment by Master Lessor to Contractor within 30 days. Master Lessor will issue purchase orders to Contractor on behalf of the Lessee. Nothing in such purchase order or any other documentation executed in connection with the Master Lease or any Lease obligates Master Lessor to you or relieves the Lessee of its obligations, if any, under any Purchase Agreement. You will look solely to the Lessee for any and all performance under the Purchase Agreement.
3. Master Lessor has agreed with Lessee to make payments for certain items of Equipment upon their acceptance by the applicable Lessee, but such agreement is solely for the benefit of Master Lessee and the Lessees and neither you nor any other person is an intended beneficiary, provided, that if the Acceptance Certificate has not been executed and delivered within thirty (30) calendar days after delivery of the Equipment, the Lessee shall be deemed to have rejected the Equipment and Lessor shall have no further obligations with respect to such Equipment.
4. Master Lessee, and each Lessee by accepting Equipment and authorizing Master Lessor to make payment as required under the Purchase Agreement, assigns its rights, but not its obligations under the Purchase Agreement to Master Lessor, effective only upon Master Lessor's acquiring ownership of the Equipment either following an Event of Default or upon voluntary transfer of ownership by Lessee at the end of the Lease Term.
5. Master Lessor's rights hereunder and under the Master Lease may be assigned to a bank, financial institution, or other person qualified to be Lessor under the Master Lease. You may rely on any notice from Master Lessor as to the identity of such Lessor. Master Lessor may only assign its rights under the Master Lease after remittance of all payment(s) due to the Contractor under the Purchase Agreement respective of the Equipment to which such rights are associated.

Except as provided herein, all terms and conditions of the Contract referenced above remain unchanged and in full force and effect.

1.1 This Agreement and any authorized EULA apply only to (a) the direct licensing of Software by Licensee and (b) technical support or software maintenance services which a Licensee must acquire in order to continue licensing the Software (hereinafter "mandatory support services"). All terms in a EULA regarding services are void

except to the extent they regard mandatory support services.

1.2 Subject to the limits of paragraph 1.1, this Agreement and any authorized EULA apply to all licenses of Software licensed from Licensor by a Licensee during the term of this Agreement, whether acquired directly from Licensor or indirectly through a Distributor. This Agreement and any authorized EULA is independent of, and does not form a part of any other contract for the acquisition of goods, services, supplies, or information technology. This Agreement does not authorize any Public Procurement Unit to pay any funds directly to Licensor.

1.3 Subject to the limits of paragraph 1.1, this Agreement and any authorized EULA agreed to pursuant to this Agreement apply to all licenses of Software licensed from Licensor by a Licensee prior to execution of this Agreement, unless the license was acquired pursuant to a written agreement negotiated and signed in pen and ink by an authorized representative of a Licensee.

1.4 This Agreement does not authorize any Public Procurement Unit to enter any type of financing arrangement with Licensor or any affiliate of Licensor. State Government Bodies are advised to comply with S.C. Code Ann. Regs 19-445.2152 and S.C. Code Ann. § 1-1-1020 (Supp. 2002), both as amended, as financing transactions are subject to the Consolidated Procurement Code.

2. RELATIONSHIP BETWEEN THIS AGREEMENT AND LICENSOR'S EULAs.

2.1 Authorized EULA. Subject to the provisions of this Agreement, Licensee agrees to the terms and conditions of any EULA attached as Exhibit "C". Upon the written approval of both Licensor and ITMO, Exhibit C may be amended to include an additional EULA.

2.2 Entire Agreement. Within the scope of this Agreement, as defined in paragraph 1, this Agreement and any authorized EULA constitute the entire agreement between the Parties and supersede all other prior or contemporaneous agreements, representations, or discussions, whether oral or written. This Agreement and any authorized EULA shall apply notwithstanding any provisions in either (a) a purchase order or other instrument submitted by Licensee, (b) any invoice or other document submitted by Licensor. Any EULA that is not attached as an agreed exhibit to this Agreement shall be void and of no effect.

2.3 Primacy of Agreement. The terms of this Agreement shall be given full effect prior to the application of any term in any authorized EULA. To the extent of any inconsistency or conflict, the terms of this Agreement take precedence over any similar terms in an authorized EULA. To the extent an authorized EULA provides Licensee with options or rights in addition to or beyond those available under this Agreement, nothing in this Agreement is

intended to limit Licensee's exercise of such options or rights.

3. TERM OF AGREEMENT.

3.1 With regard to any particular license of Software, the terms of this Agreement and any authorized EULA shall continue for the duration of the applicable authorized EULA.

3.2 This Agreement shall be in effect for one year from the Effective Date. On each anniversary of the Effective Date, this Agreement shall automatically renew for a term of one year unless ITMO or Licensor sends the other written notice, at least thirty days before the anniversary date, that this Agreement shall not automatically renew. This Agreement shall terminate no later than seven years after the Effective Date.

4. LICENSE GRANT.

4.1 Any rights granted by Licensor to Licensee in an authorized EULA are in addition to any rights granted by this Paragraph 4. Licensor agrees that Licensee shall have the rights that are set forth in subparagraphs 4.2, 4.3, and 4.4 below.

4.2 For each license acquired, the Software may be:

4.2.1 Used or copied for use in or with the computer or computers for which it was acquired, including without limitation use at any of Licensee's installations to which such computer or computers may be transferred;

4.2.2 Used or copied for use in or with a backup computer if any computer for which it was acquired is inoperative;

4.2.3 Reproduced for safekeeping (archives) or backup purposes;

4.2.4 Adapted or combined with other computer software, provided that such adaptation or combination is done in accordance with the applicable Documentation; Pitney Bowes will create an interface to feed information from Licensee existing software or databases into our Send Suite Live Software Product in an automated fashion. Under Pitney Bowes third party software license certain of the interfaces used must be the third party's provided APIs. License agreements for API's concerning third party carrier information (e.g., FedEx, UPS, and the USPS) are between the Licensee and third party carriers.

4.2.5 Disclosed to and used by support service contractors or their subcontractors for the benefit of the Licensee, subject to the restrictions set forth in this Agreement; and,

4.2.6 Used or copied for use in or transferred to a replacement computer.

4.3 If the license acquired is a single CPU license and Licensee has available at the same site multiple suitably configured CPUs, Licensee may operate Software on any such CPU at the site provided that such Software is not in productive use on more than one CPU at any given time and that, if greater license fees are required for a more powerful model of CPU, that any use of such more powerful model shall only be for temporary or backup use.

4.4 If usage is expressly restricted to an authorized site or an authorized CPU serial number, Licensee may change any authorized site to an alternate site or an authorized CPU serial number designation to that of an alternate CPU after providing Licensor written notice of the new site or serial number. If greater license fees are required for use on a more powerful model of CPU, Licensee shall pay then current difference in fees to Licensor.

5. INTELLECTUAL PROPERTY INFRINGEMENT.

5.1 In the event of any claim by any third party against Licensee, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees (hereinafter Indemnitee) asserting or involving an IP right which concerns any acquired item(s), Licensor shall defend Indemnitee, at its expense, against all actions, proceedings or claims of any nature and shall, without limitation, indemnify Indemnitee for and against any loss, cost, expense, attorneys' fees and expenses (including inside counsel), or liability, resulting from such claim whether or not such claim is successful.

5.2 Indemnitee must notify Licensor in writing within a reasonable period of time after Indemnitee first receives written notice of any such claim or action, reasonably cooperate with Licensor's defense of such claims or suits, and allow Licensor sole control of the defense so long as the defense is diligently and capably prosecuted. Licensee may participate in the defense of any action. Licensee's consent is necessary for any settlement that requires Licensee to part with any right or make any payment or subjects Licensee to any injunction, except for an injunction requiring cessation of use of an acquired item that is the subject of the claim.

5.3 In the event an injunction, order, or agreement shall be obtained against Licensee's use of any Acquired item, due to no fault of the Licensee, Licensor shall, without in any way limiting the forgoing and at its expense: (a) use good faith, diligent efforts to procure for Licensee the right to continue to use, and to have used, the Acquired item, and if such remedy is commercially impracticable, to then (b) replace or modify the Acquired item so that it becomes non-infringing but only if the modification or replacement does not materially adversely affect the functionality of the Acquired Item or its use by Licensee. In the event that both of these remedies are commercially impracticable, Licensor may require that Licensee stop using the Acquired item, refund to the Licensee an amount equal to all license fees paid by

Licensee therefore, and take all steps necessary to have any indemnities released from any further liability. In the event the Licensee is deemed at fault, Licensor will refund to Licensee an amount equal to all license fees paid by Licensee a pro-rata amount equal to all license fees paid by the licensee divided by 36 months, multiplied by (36 months less number of months Acquired item was used by Licensee, in no situation will amount be less than zero).

5.4 Licensor's obligations under this Paragraph 5 do not apply to a claim to the extent (a) that the claim is caused by a modification of Software made by Licensee; (b) that the claim is caused by the Licensee's use of a superseded release of Software if the infringement would have been avoided by Licensee's timely implementation of an update or upgrade previously provided to Licensee, but only if such upgrade (i) is provided by Licensor at no cost or as part of either maintenance or a purchase by Licensee, and (ii) does not materially adversely affect the functionality of the Acquired Item or its use by Licensee; (c) that the claim is caused by Licensee combining the Software with another computer program, database, or hardware unless such combinations are recommended by the Documentation provided by the Licensor or otherwise agreed to by licensor; (d) that the claim is caused by Licensee reverse engineering, decompiling, disassembling, or distributing Software; (e) that the claim arises from the Licensee's use of any Software that is open source or freeware, but only if the open source or freeware is not incorporated or combined by Licensor in Software provided by Licensor.

5.5 As used in this paragraph 5, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, software, or services, if any, furnished under this Agreement or any authorized EULA. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work.

5.6 Notwithstanding any other provision, Licensor's obligations pursuant to this clause are without any limitation whatsoever. Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement.

6. LIMITATION OF RECOVERY.

6.1 Limitation of Damages - Licensor. Notwithstanding any type of exclusion or limitation on liability, damages, or remedies, Licensor's liability to a specific Licensee for any type of claim or loss may not be limited in any way to less than an amount equal to twice the cumulative fees paid by Licensee to license Software and for any mandatory support services.

6.2 Limitation of Damages - Licensee. Except as provided in paragraph 7 (Audit), the maximum liability, if any, of Licensee for all direct, indirect, incidental, punitive, consequential, or special damages, including without limitation contract damages, statutory damages, and

damages for injuries to persons or property, whether arising from Licensee's breach of this Agreement, an EULA, breach of warranty, negligence, strict liability, statutory liability, or other tort, shall in no event exceed an amount equal to twice the cumulative fees paid by Licensee to license Software and for any mandatory support services.

7. AUDIT.

7.1 Right to Audit. For the duration of the authorized EULA, Licensor has the right to audit Licensee at Licensor's expense. Licensor shall conduct an audit and use the information obtained in an audit only to enforce Licensor's rights and to determine whether Licensee is in compliance with the terms of this Agreement and the authorized EULA. Any audit will be subject to a confidentiality obligation and will take place upon not fewer than 30 days notice, during Licensee's normal business hours, and in a manner that does not interfere unreasonably with Licensee's operations. Licensor's sole audit right regarding Licensee is provided by this paragraph 7.

7.2 Remedy; Exclusivity. If an audit reveals unlicensed use of Software by Licensee, Licensee shall either (a) promptly order sufficient licenses to permit all Software usage disclosed, or (b) immediately terminate any unlicensed use of Software and pay any applicable license fees for any noncompliance disclosed by the audit. If a Distributor Contract exists, Licensee may order licenses from, and pay license fees to, a Distributor at a price established by a Distributor Contract. If Licensee's unlicensed use of the Software would be within the scope of license rights granted by this Agreement and any authorized EULA but for Licensee's failure to acquire an adequate number of licenses or an available license, Licensor's exclusive remedy for the unlicensed use shall be the remedy provided by this paragraph 7.2. If Licensee fails to execute either option within a reasonable time, Licensor may pursue all remedies available to it at law or in equity, subject to the terms of this Agreement.

7.3 If Licensor undertakes an audit and does not find material unlicensed use of Software, Licensor shall not require another audit of Licensee for at least one year. Licensor's right to conduct an audit is limited by any applicable statutory or regulatory limitations on access to public records.

8. LICENSEE'S RECORDS. For each license of Software acquired pursuant to this Agreement, Licensee agrees to retain records of that license for one year beyond the duration of that license, provided that Licensee has no obligation to retain records of a license beyond one year after Licensee ceases to retain a copy of the Software to which a license applies. Licensor may access Licensee's records as provided in the South Carolina Freedom of Information Act and any other applicable law. Except as stated in this Agreement, Licensor agrees that Licensee has no obligation to retain any records.

9. CONFIDENTIALITY & NONDISCLOSURE. This Agreement and any EULA are subject to public disclosure. All provisions of an authorized EULA regarding confidentiality or nondisclosure are subject to the South Carolina Freedom of Information Act and other applicable laws. Any duty of confidentiality or nondisclosure established by an authorized EULA does not apply to material or information developed by or received from Licensor if such material or information has not been conspicuously marked with the words confidential, proprietary, or trade secret.

10. TERMINATION. Licensor may not terminate either this Agreement or an authorized EULA in the absence of a material breach by Licensee. Termination of one Licensee does not constitute grounds for termination of a different Licensee. If Licensor exercises any termination rights under any authorized EULA, Licensee may, in addition to any rights provided in the EULA, continue using software pursuant to this Agreement for a period of six months in order to allow Licensee to convert from the use of Software. During the conversion period, Licensee shall pay any applicable license fees at the price last available from Licensor to Licensee prior to termination or, at Licensee's option, at the price established by an applicable Distributor Contract, if any.

11. WARRANTIES. The warranties provided in this paragraph 11 are in addition to any other warranties provided by law and not excluded or provided in an authorized EULA. Licensor warrants (a) that an item of Software, without unauthorized modification, will perform substantially in accordance with the Documentation applicable to the Software for a period of 365 days from the date the item of Software is delivered to Licensee, (b) that Licensor has all necessary right and authority to grant the licenses granted hereunder, and (c) that there is currently no actual or threatened suit against Licensor by any third party based on an alleged violation of an intellectual or proprietary property right that has not been disclosed to ITMO. Licensor agrees that it will not electronically repossess, trigger any lock, or use any device capable of halting operations or erasing or altering data or programs with regard to any Software that it has licensed to Licensee.

12. BANKRUPTCY.

12.1 Notice of Insolvency. Licensor shall provide ITMO and Licensee with written notice immediately upon the filing by Licensor of a petition in bankruptcy or insolvency or upon any other proceeding or action by or against Licensor under the relevant law on insolvency or bankruptcy, or after the making by Licensor of any assignment or attempted assignment for the benefit of creditors or upon or after the institution of any proceedings for the liquidation or winding up of Licensor's business or for the termination of its corporate charter.

12.2 Rejection of Executory License. The Parties agree that the Software is "intellectual property" as defined in Section § 101(35A) of the U.S. Bankruptcy Code. Upon

the filing by Licensor of a petition in bankruptcy or insolvency or upon any other proceeding or action by or against the Licensor under the relevant law on insolvency or bankruptcy, this Agreement and any authorized EULA shall be governed by Section 365(n) of the U.S. Bankruptcy Code. If any person seeks to reject this Agreement or an authorized EULA pursuant to bankruptcy law, Licensee shall have the option of using the Software for either the original term of the authorized EULA or a period of two years after rejection is requested.

13. RIGHTS IN LICENSEE-DEVELOPED COMPUTER PROGRAM OR DATA BASE. Nothing in this Agreement or any authorized EULA shall be construed to give Licensor any rights with regard to computer programs or databases developed by Licensee, regardless of whether or not such programs or databases are connected to or embedded in Software or are functionally similar, in whole or part, to Software. Nothing in this paragraph grants a Licensee any rights to Licensor's Intellectual Property or to any derivative works.

14. GENERAL

14.1 Choice of Law & Choice of Forum. Both the rights and obligations of the Parties and this Agreement and any EULA, as well as any dispute, claim, or controversy arising out of or relating to this Agreement or any EULA, shall, in all respects, be established, interpreted, construed, enforced and governed by and under the laws of the State of South Carolina, without regard to any provision governing conflicts of law. All disputes, claims, or controversies arising out of or in any way relating to this Agreement or any EULA shall be resolved exclusively by the appropriate Chief Procurement Officer in accordance with Title 11, Chapter 35, Article 17 of the South Carolina Code of Laws, or in the absence of jurisdiction, only in the Court of Common Pleas for, or a federal court located in, Richland County, State of South Carolina.

14.2 Sovereign Immunity. Title 11, Chapter 35, Article 17 constitutes a limited statutory waiver of sovereign immunity. Licensor agrees that any act by either ITMO or Licensee regarding this Agreement and any EULA is not a waiver of either their sovereign immunity or their immunity under the Eleventh Amendment of the United State's Constitution.

14.3 Subject to Applicable Law. This Agreement is entered into pursuant to the South Carolina Consolidated Procurement Code (Title 11, Chapter 35 of the South Carolina Code of Laws.) As a public entity, all of Licensee's obligations are subject to any applicable laws.

14.4 Alternative Dispute Resolution. Unless mandated by law, no method of mandatory alternative dispute resolution shall apply to any dispute, claim, or controversy arising out of or relating to this Agreement or any authorized EULA.

14.5 CISG / UCITA. Neither the UN Convention on the International Sale of Goods nor the Uniform Computer

Information Transactions Act (nor any non-uniform version) shall apply to this Agreement or any authorized EULA.

14.6 ITMO Participation In Contract Disputes. Consistent with its statutory authority, ITMO is acting solely in a representative capacity and on behalf of Licensees. Accordingly, ITMO is not a party to this Agreement and need not be joined as a party to any dispute that may arise out of this Agreement. With regard to this Agreement, the officers, agents and employees of ITMO are acting solely in their official capacity and need not be joined as a party to any dispute that may arise out of this Agreement.

14.7 Notices. In addition to any other obligations the parties may have regarding notice, all NOTICES OR OTHER COMMUNICATIONS REGARDING THIS AGREEMENT SHALL BE COPIED TO ITMO AT THE FOLLOWING ADDRESS. LICENSOR AGREES THIS OBLIGATION IS A MATERIAL PROVISION OF THIS AGREEMENT.

14.8 Third Party Beneficiary. This Agreement and any EULA is made solely and specifically among and for the benefit of the Parties hereto, and their respective successors and assigns, and no other person will have any rights, interest, or claims hereunder or be entitled to any benefits under or on account of this Agreement or any EULA as a third party beneficiary or otherwise.

14.9 Assignment. Except as set forth below, neither party may assign or transfer this Agreement, any authorized EULA, or any rights regarding either, without the prior written consent of the other party. Such consent shall not be unreasonably withheld. Any attempted assignment, delegation or transfer in derogation of this paragraph shall be null and void.

14.9.1 This Agreement, and any authorized EULA, or any rights regarding either, may be assigned to affiliates of the Licensor, or to successors in interest of substantially all the assets of the Licensor, if the assignee expressly assumes the Licensor's obligations under the assigned agreement. Licensor must give Licensee reasonable notice of any assignment.

14.9.2 If Licensee is reorganized such that certain operations or functions are transferred from one Licensee to another, then in connection with such reorganization, a Licensee may, upon written notice to Licensor, transfer licenses to another Licensee provided that the transferee is performing some substantially similar business and/or operational functions as the original Licensee. Both Licensees shall execute such paperwork as Licensor may reasonably require.

14.10 Interpretation. Any question of interpretation or construction shall not be resolved by any rule providing for interpretation or construction against the party who causes the uncertainty to exist or against the drafters of this Agreement.

14.11 Headings. The headings contained in this Agreement are for the purposes of convenience only and are not intended to define or limit the contents of this Agreement.

14.12 Publicity. Licensor agrees not to refer to Licensees in such a manner as to state or imply that either Licensor or its Software is endorsed or preferred by Licensee, the State of South Carolina, or any unit of either. The foregoing shall not prohibit the Licensor from identifying a Licensee as a customer in a customer list.

14.13 Relationship of the Parties. Licensor is an independent contractor and neither party is an employee, agent, partner, or joint venturer of the other. Neither party has the right or ability to bind the other to any agreement with a third party or to incur any obligation or liability on behalf of the other party.

14.14 Relationship Among Public Entities. Each Licensee's obligations and liabilities are independent of every other Licensee's obligations and liabilities.

14.15 Language of Agreement & Notices. The language of this Agreement is English. If translated into another language, this English version of the Agreement shall be controlling. All notices required or permitted to be given hereunder shall be written in the English language.

14.16 Survival of Obligations. The Parties' rights and obligations which, by their nature, would continue beyond the termination, cancellation, rejection, or expiration of this Agreement shall survive such termination, cancellation, rejection, or expiration, including, but not limited to, the rights and obligations created by the following clauses: Indemnification, Records, Audit, Bankruptcy, Termination, and General.

14.17 Waiver & Modification. No waiver of any default by either party shall act as a waiver of a subsequent or different default. The provisions of this Agreement and any authorized EULA may not be modified or waived except by another agreement in writing executed by the Chief Procurement Officer for Information Technology and an authorized representative of Licensor.

14.18 Anti-Indemnification. Any provision in any authorized EULA is void to the extent it requires ITMO or a Licensee to indemnify anyone.

14.19 Statute of Limitations. Any provision in any authorized EULA is void to the extent that it modifies the statute of limitations or alters the time period within which an action must be brought.

14.20 Non-appropriations. Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds therefore. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be cancelled.

14.21 Attorneys' Fees. Except as otherwise provided herein, each party waives any claim it may have to recover attorneys' fees from any other party.

14.22 Payment & Interest. Any provision regarding payment or interest is void.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement, by their duly authorized agents, each of whom personally warrants that he or she has full and legal authority to enter into this Agreement and to consummate the transactions contemplated hereby.
