SHG6 Shredder

Safeguard your confidential information with powerful shredding technology

In today's busy office environment, sensitive documents can get thoughtlessly tossed in the trash, putting your business in real jeopardy. Make it easy for employees to properly dispose of confidential records with the SHG6 shredder from Pitney Bowes. Designed for the small and mid-size office, the SHG6 provides the quality, versatility and durability you won't find in the shredders sold by the office superstores. With its compact design and quiet operation, the SHG6 will fit seamlessly into your office workflow. Its Level 4 shredding gives you that additional level of security. And peace of mind that comes with knowing your company information is being properly protected.

A higher-level of security

The SHG6 is versatile, incredibly fast and loaded with features the competition can't match. Its hands-free operation makes it safe and easy to use. It's not just paper you have to worry about any more: the information on CDs, DVDs, floppy disks and credit cards needs to be safeguarded, too. The SHG6 shreds digital media with ease. And there's no need to remove staples or paper clips before shredding paper documents. Convenient on-site service means you don't have to worry about down time. So get the peace of mind that comes with the secure destruction of confidential information.
