

A PITNEY BOWES
MAILSTREAM
SOLUTION

PITNEY BOWES DOCUMENT SOLUTIONS CENTERS

THE ONLY RESOURCE FOR YOUR PRINT AND DOCUMENT PROCESSING NEEDS.

Turn to Pitney Bowes Document Solution Centers to take advantage of specialty services without investing in extra equipment, adjusting staff or missing deadlines. Pitney Bowes gives you the flexibility to balance your

capabilities on-site with our nearby network of regional and national processing centers. We provide services for all aspects of the document lifecycle – copy, specialty print, digital conversion and mail.

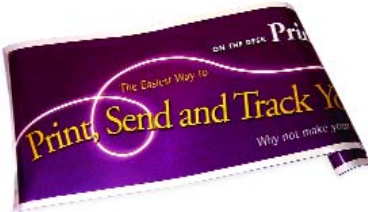

Comprehensive Copying

Our high-performance copy services are ready to respond to your color and black & white print needs with top quality service. Keep meetings and presentations on schedule with our production help.

Digital Conversion

Streamline document processing, litigation support and record retention with our digital conversion services. Our regional networks are backed by our national processing center for expanded support.

Oversized Prints and Posters

When it's time to think big, we're ready to deliver. We can print, mount and laminate all your signs, posters and displays.

Kitting & Fulfillment

We can store and distribute your printed materials on demand. Kit assembly and personalization are also available.

Print to Mail

Everything you'll need to ship your packages safely and securely, along with mass distribution to multiple locations. We offer full lettershop services.

Binding & Finishing

We provide the finishing touches for all your presentations, training manuals, proposals and binders. There are a variety of options to choose from, making it easy for your piece to look its best.

It's All Connected

We have the technology and tools in place to provide online job submission and to improve workflow. Our Pitney Bowes Transport™ Digital Production Management application optimizes the document production process for you. We can provide the flexibility, efficiency and value you expect from Pitney Bowes.

Engineering the flow of communication™
